

St Melyd Golf Club

2017

Club Captain's Message

Like every Captain before me, I am proud to be given the opportunity to serve as Captain of St Melyd Golf Club and I thank the Past Captains for giving me this honour.

These are difficult times. The challenge of rising costs, with falling visitor numbers and fewer functions must be confronted and the council, together with the Treasurer and caterers will work hard to reverse this trend.

St Melyd Golf Club is known as a good test of golf and it is essential that the maintenance of the course continues and that the new equipment is purchased in order to keep that reputation. We must not lose sight of the fact that our reason for existence is to provide a golf course which members wish to play and a golf club which people want to be a part of. If we succeed in this aim then the Club will continue to thrive.

I am hopeful that the members will support the social functions, as these generate useful revenue and also create a friendly and welcoming environment.

This year will see a major charity event in support of Ty Gobaith Hope House and my chosen charity will be the Royal British Legion, which I hope you will help me support.

Finally, I wish you all a very happy and successful golfing year in 2017
